

Letter from the Chairman:

The Savant Group is excited to sponsor our second San Francisco Inline Skate Marathon. We learned a lot last year and are responding to the many positive suggestions for improving our event. Some major event changes include:

- A safe, smooth, fast, course with less loops at the beautiful Golden Gate Park
- The inclusion of a Super-K 3-lap event for first timers and recreational skaters
- 1st, 2nd, and 3rd, place medals for each event for men and women
- Extended time for each participant to complete their events
- Water and food during and after each event
- Free event t-shirts with registration

Now for what worked last year that will remain the same:

- Sports Basement will continue to sponsor our Expo with their 20% discount coupons
- There will be finish medals for everyone
- The prize money will remain the same as last year
- Every registrant will receive a “goody bag”
- We will have chip timing with only one chip
- We will have the raffle after the awards ceremony

As we said last year, our objective is to make this an annual event that competes with the best events in the world. Help us make it that way by sharing the weekend with us and supporting not only our event but all of our sponsors as well. All profits go to The Savant Group Charitable Foundation which supports non-profit organizations both locally and nationally.

Fun and happy skating,

Tom Burkhardt, Chairman
